Assassin' s creed unity altair outfit location

02-18-2015 #1 Unless I've pricked for myself after I picked up all 8 artifacts at the Belle Epoque, do you get Altair's suit differently now? 02-18-2015 #2 so I know you still have to collect the three artifacts tied to the team. One in Belle Epoque - Tornado, one in the Middle Ages - Battlefield and the last in Paris Occupied - Covert (?), could be Tower as well. 02-18-2015 #3 Shahk, You won't need all of them, but the 3 I mentioned in my previous post. Those 3 unlock Altair's outfit. 02-18-2015 #4 Thank you, I deleted my previous post because I was going to look for it, but you did the work for me. I'll get on it tomorrow. So much trouble for a lol suit, and I know I'm going to run around on it for 10 minutes and then turn off the game... 02-18-2015 #5 It still reeks that even artifacts already collected will eventually spawn from time to time, but following their paths you must do so in about 1-1 1/2 hours 02-19-2015 #6 Just keep dying in the cracks and artifacts you wish will eventually reappear. 02-19-2015 #7'm not sure I understand how those missions work... I mean, do you have to collect all the artifacts during the same race or in several? Since they don't all seem to show up together, I can't get a way to pick them all up. And Altair's outfit is unlocked by collecting all the artifacts in the previous 3 missions? 02-19-2015 #8 Can anyone confirm that all artifacts are now collectible even without doing the missions of the companion app? 02-19-2015 #9 Originally published by siralex1986 Go to the original post I'm not sure I understand how those missions work... I mean, do you have to collect all the artifacts during the same race or in several? Since they don't all seem to show up together, I can't get a way to pick them all up. And Altair's outfit is unlocked by collecting all the artifacts in the previous 3 missions? Yes, you'll have to do it in several races. Unfortunately there is a possibility that artifacts already collected will appear. Just follow the routes in the videos I posted earlier and it shouldn't be a problem to collect all the artifacts in about an hour. Originally published by Domestico Go to original publication Can anyone confirm that all artifacts are now collectible even without doing the missions of the companion app? A friend of mine confirmed it last night. She was able to collect the nomadic artifacts. 02-19-2015 #10 got Altair's outfit after getting an artifact in the Middle Ages Rift, but it was only after Patch 3. I think you need to collect every artifact every time. It was frustrating, but you keep playing the same scenario over and over again, eventually you'll come up with it so you can get all the unlocked artifacts after all. Assassin's Creed Unity > General Debates > Theme Details El of Altair after Patch 5 HELP I have overcome the cracks of the propeller and I have the killers who were trapped free by the number of times he said. Then I got the bonuses (above the amount of data needed and above the bonus after that) for all cracks. My progress bar 100% for this, but I don't have Altair's robes yet, which requirements were to play propeller breakup missions. Can someone tell me what I'm missing? Thank you.
